### RF International JOINS C-TPAT

RF International is proud to announce that the United States Customs Service has approved our application to become a member of C-TPAT.

“The Customs-Trade Partnership against Terrorism, while unthinkable just a few years ago, has been initiated as part of the government’s Homeland Security Act. “ said Alan Baer, President. “RFI has always prided itself on the integrity of our employees and the vendors we choose to partner with. We are committed to monitor our suppliers to ensure the safety of the global supply chain.”

RF International is committed to handling all your air and ocean freight forwarding needs and provides complete Customhouse Brokerage Services for your import requirements. We can save you time and money by managing all your international shipping and freight forwarding requirements; and connecting them to the full range of logistics services necessary to run a global business.

For more information about RFI and our services, please contact our corporate headquarters or your regional office.

The Customs-Trade Partnership Against Terrorism (C-TPAT) is a cooperative endeavor between the trade community and U.S. Customs Service to develop, enhance, and maintain effective security processes throughout the global supply chain.
